Improving Intimacy and Relationships after Cancer Treatment

Registration Required

Thursday, January 18

7:00 – 8:30 p.m.

Jeffery Albaugh, Ph.D., APRN, CUCNS

Director of William D. & Pamela Hutul Ross Sexual Clinic

John & Carol Walter Center for Urologic Health

NorthShore University Health System

The majority of patients with cancer report issues with sexual function, and this can impact intimacy and quality of life. This presentation will focus on common sexual problems associated with cancer treatment. In addition, information will also be provided on how to improve intimacy, sex and your relationship. Dr. Albaugh is an internationally recognized speaker and author with over 20 years of experience helping cancer patients with sexual dysfunction and intimacy issues

Registration is required and is at NO COST.
